DEATHS YESTERDAY.
Mrs. Eliza A. Robertson, widow of
the late Wm. D. Robertson, died yester-
day afternoon at her late residence, No.
717 South street, in the 67th year of her
age. The funeral will take place to-
morrow (Monday) afternoon from the
South Street Baptist Church.

Mr. John Shepherd, a well-known
brick mason, died yesterday at his re-
sidence on Henry street. The remains
were buried last night.

Mrs. Augustus Kennedy, wife of
James Kennedy, died yesterday at the
residence of her husband, No. 728
Fourth street, in the 44th year of her
age. The funeral will take place to-
morrow (Monday) afternoon at 3
o'clock from the above residence.

LOST ALL HER CASH.
Yesterday afternoon a lady residing
on County street started out to make
several purchases for the holidays,
taking with her twenty-five dollars,
two tens and one five-dollar bill. The
purse, and how it got out is a mys-
tery. The money was placed securely in
her bag. The only places visited by the
lady before missing the money was a
drug store, and the house of a relative
on Green street, and at each of these
places she had no occasion to use
money, so the loss is one which can-
not be explained. It is to be hoped that
it will fall into the hands of some per-
son who will appreciate her situation
and return the cash to its rightful
owner.

FIRE ON GREEN STREET.
An alarm of fire was turned in yester-
day morning which called the fire
department to the corner of Green and
Scott streets, where the residence of
the late Joseph Watkins was discovered to
be afire.

Two streams were gotten on the blaze
from a No. 1 Independent engine, and
with able assistance from the hook and
ladder, after about an hour's hard
work, the flames were extinguished.
The damages, which are principally
in the upper part of the building, will
probably amount to \$200. The property
is owned by Mr. J. S. Crawford.

HON. M. S. NEWBERNE.
Resolutions of Respect Adopted by
Those Who Knew and Loved Him.
Yesterday in the Norfolk County
Court room a meeting of representative
citizens of Norfolk county was held,
which was attended by Senator May-
nard and Representative Charles T.
Bland, to give expression to the sad-
ness and gloom which had suddenly
fallen upon the people of this section
by the death of the Hon. M. S. New-
berne, who for several years had so
well represented Norfolk county's in-
terests in the General Assembly of Vir-
ginia.

Judge W. N. Portlock was called to
preside, and Mr. Alvah H. Martin filled
the position of secretary.
Senator Maynard, Captain Marshall
and Bland and Mr. George Lindsay
were appointed to draft suitable resolu-
tions on the death of Norfolk county's
representative, and the following
were presented and adopted:

EVERYONE LOVED HIM.
Whereas, with great sorrow we have
learned of the death of our friends the
Hon. M. S. Newberne, who died of a
most grievous disease, away from his
family and home, without the tender
care of friends and kindred.
Resolved, therefore, in his death the
county and State have lost an able,
upright and conscientious citizen and
representative, his family a loving father
and brother, and his friends one
whom to know was to respect and love.

Resolved, That we meet simply to
express our sorrow and thus bear tes-
timony to his worth and ability, and
extend to his family our sincere sym-
pathy in the great loss that we in
common with them and all who knew
him have suffered.

Resolved, That these resolutions be
published in the daily newspapers and
a copy thereof be sent to his family.
Captain Marshall, Senator Maynard
and Mr. Charles T. Bland spoke feel-
ingly of the life and character of the
deceased gentleman, and though many
high tributes were paid him as a citi-
zen and public official, none of them
could but faintly express the high es-
teem those who knew him best held
for him, or the great love the people
of his county and section generally ex-
tended him.

THE CITY COVERED WITH FOG.
The worst fog known by the oldest
residents of the city hung over this
harbor and the city yesterday from 4
a. m. until 10 o'clock. The ferryboat
left here at 4:30 a. m. and returned
here at 6 o'clock. She experienced con-
siderable difficulty in getting to the
dock. Captain Foster, who was on duty,
says it is the worst fog that he has
experienced in the twenty-five years
he has been on the ferry. At 7 o'clock
the fog thickened up so that the boat
could not make another trip until near
10 o'clock. The people whose business
called them to Norfolk accumulated at
the ferry until there was a perfect jam,
and when the boat did come there was
a general shout. Fortunately there were
but few accidents. The ferry steamer
Superior was run into by a tug and
part of her rails were carried away. It
was rumored around that she had been
sunk, but there was no foundation for
such a rumor, as she continued on her
trips all day.

Two delivery wagons collided at the
corner of Bingham and Glasgow
streets. One of the wagons had a wheel
smashed and side crushed in. An elec-
tric car and a wagon collided. The
wagon was badly damaged. It was diffi-
cult to see anyone a few feet off. The
air was cold and heavy, and made out-
door business disagreeable, but at 10
o'clock the sun came out and the balance
of the day was pleasant.

PLANS SUBMITTED.
Messrs. Peebles & Carpenter and Ed-
ward Overman submitted plans Friday
night to the building committee of Cen-
tral Church for a new church which
that congregation contemplates build-
ing on the corner of Washington and
South streets at an early date. The
plans show a stone church, with a
seating capacity of 1,000, and will cost
near \$30,000. An effort will shortly be
made to sell the present church, so that
work can be commenced as early as
practicable in the next year.

A MIRACULOUS ESCAPE.
Yesterday a small child, in attempt-
ing to cross at the corner of Crawford
and County streets, was run over by
a heavy wagon, and knocked down un-
der the horse's feet. The horse, as if
by instinct, stopped and raised one foot
to prevent injuring the child. Besides a
few bruises and a little fright the
child was not otherwise injured.

SPECIAL SERMON.
Rev. George E. Booker, the gifted
pastor of Wright Memorial M. E. Church,
will preach a special sermon to-
night. On this occasion he will use
as his subject "Angels in the Air," and
as the discussion of the question of
of considerable interest to the church
people, he will doubtless have a
large congregation to hear him.

SHE USED A KNIFE.
A colored man named Dennis, em-
ployed at Pinner's Point, and a colored
woman of the same place, became in-
volved in a difficulty yesterday, which
ended up with a severe knife wound in-
flicted by the woman on Dennis' left
arm. He would neither tell the woman's
name or the cause of the disturbance.
Dr. McMullan dressed the wound.
